

Dear SAFS Member,

The past year has been extraordinary on many levels and challenging to say the least. The continuing issues from COVID, roll out of vaccine availability, as well as agency training and travel restrictions have required adjustments in work and home life. With all these factors in consideration, the SAFS Board of Directors has made the difficult decision to not host the meeting scheduled in Gulf Shores, Alabama. We have been working closely with the Hotel and have rescheduled this location for 2023.

We have already secured a location for 2022 in Chattanooga, Tennessee with the hope that things will be more normal at that time.

We hope you continue to be healthy and safe,

Danny Kirkpatrick

SAFS President
