

## **Nominee for Member-At-Large**

### **Collin Shuford**

North Carolina State Crime Lab

#### **Education:**

- BS in Chemistry with a minor in Criminal Justice, Appalachian State University

#### **Employment History:**

- North Carolina State Crime Lab: 2009 - Present

#### **Past SAFS Participation:**

- SAFS Member-At-Large 2024-2025

#### **Additional Memberships/Certifications:**

- American Board of Criminalistics (ABC-DA) certification since 2012
- Clan Lab Response certification since 2010
- Clandestine Laboratory Investigating Chemists (CLIC) member

#### **Why do you want to serve on the SAFS Board of Directors?**

I have enjoyed the role of Member at Large as an opportunity to learn more about the functions of the SAFS board and annual meeting planning. The more opportunity for cross laboratory collaborations, the better and I hope to continue in the same role for the 2025-2026 year and contribute more to the planning of the 2026 annual meeting.
